Any announcement made under this paragraph shall be promptly published in the Daily Digest and promptly entered into the committee scheduling service of the House Information Systems.

(b) Unless authorized by the Chairman, a witness shall not be permitted to testify or present evidence at a hearing of the Committee, and such testimony or evidence may not be included in the Committee hearing record, unless 50 copies thereof have been delivered to the Committee at least 48 hours prior to such hearing.

(c) A Committee member may question a witness only when recognized by the Chairman for such purpose. In accordance with clause 2(j)(2) of Rule XI of the Rules of the House, each Committee member shall be allowed 5 minutes to question a witness until each member who so desires has had such opportunity. (c) A vote by any member of the Committee with respect to any matter being considered by the Committee may be cast by proxy if the proxy authorization is in writing, asserts that the member is absent on official business or is otherwise unable to be present at the meeting of the Committee, designates the member of the Committee who is to execute the proxy authorization, and is limited to a specific matter and any amendments or motions pertaining thereto (except that a member may authorize a general proxy for motions to recess or adjourn, or for other procedural matters). RULE 5. COMMITTEE REPORTS

(a)(1) Except as provided in paragraph (b), any Committee report shall be approved by a majority of the members voting at a meeting at which a majority is present.

(b) The Chairman is empowered to obtain the approval of any report in any appropriate manner, including by polling the members of the Committee in writing. In such cases, a copy of the proposed report shall be made available to each Committee member for at least 5 calendar days (excluding Saturdays, Sundays, and legal public holidays) and the approval of a majority of the Committee is required. (b)(1) The Committee may require, by subpena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, documents, and other exhibits and materials, as it deems necessary.

(2) A subpena may be authorized and issued by the Committee in the conduct of any investigation or series of investigations or activities, only when authorized by a majority of the members voting, a majority being present.

(3) Notwithstanding subparagraph (b)(2) of this rule, a subpena may be authorized and issued in the conduct of any investigation or series of investigations or activi-

meeting at the then current state of the art of television coverage.

(8) In the allocation of the number of still photographers permitted by the Chairman to cover a hearing or meeting, preference shall be given to photographers from Associated Press Photos and United Press International Newspictures. If requests are made by more of the media than will be permitted by the Chairman, for coverage of a hearing or meeting by still photography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(9) Photographers shall not position themselves at any time during the course of the hearing or meeting between the witness table and the members of the Committee.

(10) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing or meeting by other media.
